2. Minutes from Wednesday, June 9th 2008 - Moved to accept by Bill Crawford and seconded by Laurie Montelo.
3. Financial Coordinator's Report – lost money last month \$450 in whole. Laurie just money in though
4. New people – Eliot Kreder.
5. Old Business -
 - a. Event #3 Review – Dry and warm. 140 something people out. The course was a little tight but we needed it that way for the finish. Trouble with cones being called in at the start and finish. A little bit of trouble in timing. Over all the event went well, even had six runs. Gave the new radios a chance. They were very big, some thought they would make good back up radios. We should still give them another chance so we don't have to buy new ones.
 - b. Being nice – Treat people as you would like to be treated. Be respectable. Don't just yell at somebody for doing something wrong take the time to explain to them ie. what they are doing wrong, the right way to do it, be helpful. Especially those who have been around a while.
 - c. Added date for TSSCC – Labor Day will be a three day weekend with TSSCC taking up one of the days.
6. New business -
 - a. Event #4 Review – 160-164 people downside was grid, caused a lot of traffic. There was a better control of paddock as to where people park. We ran six runs, should we or shouldn't we? More runs or getting to go home sooner.?
 - b. Corner Worker Improvement – They should be able to ask for help. The corner captain should be able to ask for help and they need to be able to ask for help when they need it. Controlling the corner. . Making sure red flags are on all corners
 - c. Time management – Is the drivers meeting needed? Suggested in times should be more of a time when you need to be
 - d. there. People arriving too late and not realizing when they actually need to be there. Lots of things to know and understand at a drivers meeting.
