

SCCA Meeting Minutes – Monday, August 11, 2008  
Pompei Bakery, Oakbrook Terrace

1. Call to order - 7:27 by Ed Locke
2. Minutes from Wednesday, July 14 2008 - Moved to accept by Greg Meier and seconded by Dan Vehe.
3. Financial Coordinator's Report – lost Lots of money moving
4. New people – None.
5. Old Business -
  - a. Event #4 Review – 160-164 people downside was grid, caused a lot of traffic. There was a better control of paddock as to where people park. We ran six runs, should we or shouldn't we? More runs or getting to go home sooner?
  - b. Corner Worker Improvement – They should be able to ask for help. The corner captain should be able to ask for help and they need to be able to ask for help when they need it. Controlling the corner. Making sure red flags are on all corners
  - c. Time management – Is the drivers meeting needed? People need to be in place with more lead time. People arriving too late and not realizing when they actually need to be there. Lots of things to know and understand at a drivers meeting.
6. New business -
  - a. Test and Tune – 28 people as of now. Greg Meier is hosting it. TSSCC will be lending us their equipment to help with the test n tune.
  - b. Event #5 – Ed Locke and JP Johnson's event. There is already a course design thanks to Ed; it should be unique and fun.
  - c. Not having a driver's mtg., and time management – We should try having a shortened driver's meeting and having mini corner worker meetings. The captain needs to know what is going on!
  - d. End of year banquet – Need help with this. We will be changing locations so we will, hopefully, be somewhere better.
7. Announcements -
8. Split pot drawing – It had been so long since we had a drawing I forgot to write down the winner's name. ☹
9. Adjournment – 8:14 by Bill Crawford and Greg Meier.
10. Good and welfare – Lots to be had.
