

SCCA Meeting Minutes - Monday, September 8, 2008
Pompei Bakery, Oakbrook Terrace

1. Call to order - 7:07 by Ed Locke
2. Minutes from Wednesday, July 14th, 2008 - Moved to accept by Greg Meier and seconded by Tony.
3. Financial Coordinator's Report - There is not one this month. Thanks Ed for making Spreadsheets.
4. New people - None.
5. Old Business -
 - a. Test and Tune - 28 people as of now. Greg Meier is hosting it. TSSCC will be lending us their equipment to help with the test n tune.
 - b. Event #5 - Ed Locke and JP Johnson's event. There is already a course design thanks to Ed; it should be unique and fun.
 - c. Not having a driver's mtg., and time management - We should try having a shortened driver's meeting and having mini corner worker meetings. The captain needs to know what is going on!
 - d. End of year banquet - Need help with this. We will be changing locations so we will, hopefully, be somewhere better.
6. New business -
 - a. Test and Tune review - Thank you Greg Meier for hosting this. Also, thanks to Bart and Hubert Barowski, Aruch Poonsapaya, and Bill Nealis for helping with set up.
 - b. Event #5 (no driver's mtg.) review - Not having a drivers mtg. seemed to run smoothly. Captains didn't seem to mind the meetings, they were short and easy. The course might not have had enough maneuvers possibly making the course too fast. The event was done by 4:30 with 6 runs and 143 people for turnout. There might have been a possibility for fun runs if Tri-State did not run the next day.
 - c. Event#6 upcoming October 11th - Bill Nealis and Bill Crawford will be hosting this event.
 - d. End of Year Banquet - We will be looking to change it up this year. Somewhere new, class champion prizes, Kasey Johnson will be looking into this.
 - e. Next meeting Chicago Indoor Racing
 - f. Upcoming next month nominations for Board and confirmation of Specialty Positions
7. Announcements -
8. Split pot drawing - Bill is in Vegas!
9. Adjournment - 8:25 by Tony and Erik Vandermey.
10. Good and welfare - Lots to be had.
