

SCCA Solo Meeting Minutes – Monday, April 13, 2009
Pompei Bakery, Oakbrook Terrace, IL

1. Call to order - 7:09 by Ed Locke
2. Minutes from Monday, March 9 - Moved to accept by Bill Crawford and seconded by Lizz Bartalone.
3. Financial Coordinator's Report – entries from Season Pre-Reg still seems a little light. Learning Curve was definitely a lot lighter than in the year's past.
4. New people – None.
5. Old Business -
 - a. Supplies - lots of supplies ordered. Incl. Cones, wristbands, registration cards, radios.
 - b. Learning Curve April 4th and 5th – people are signing up. 27 so far! If you would like to help instruct please contact Greg Meier.
 - c. CenDiv Training – Those who attended had to take a test on the rule book. If you passed the test you became SFI certified. The biggest thing they talked about was safety. Solo doesn't look so good for insurance, more is paid out for us than elsewhere. This is happening at the finish, grid, and paddock. It's up to everybody to be safe. We will be making an even bigger effort to move the finish back and enforce a slower speed in grid. There is also a better guidelines for Nationals as to what vehicles can run.
 - d. Street Survival – Saturday before the weekend that is a double. October 10th
 - e. Chairs – Still need Chairs for events 4, 5, and 6
6. New Business -
 - a. Learning Curve Review – 72 students. Far less than the 100 we were shooting for or the 85 that we budgeted for. The level of students that attended was way better than it was in the past. Thoughts for future...Make Sunday much more like a regular event, making sure the students drive after the instructor, and we need to try and make Saturday move along easier. Thank you to everybody who helped!
 - b. New equipment – The radios worked well. We need to get flags at the corner stations instead of stop signs and need to make sure that they are being held by one of the workers.
 - c. No event on May 31st possibly move to May 30 – more info to follow
 - d. Event #1 April 26th - Route 66, the Board will be chairing this event
 - e. Event Chairs needed for Event 4 on July 26th, Event 5 on August 23, and Event 6 on October 4. – Event 4, Erik Vandermeijer volunteered, anybody want to do it with him? Event 6, Dan Vehe, TJ Krause, and Tucker
