Chicago Region SCCA is proud to host two qualifying elective races for the newly formed CoolShirt Systems® Improved Touring National Tour at the Kettle Double Regional race at Road America on August 25-26, 2012.

Both race days are eligible to accumulate points in this unique nationwide regional racer championship. These points, combined with points earned at the IT Spec-tacular at Mid-Ohio on July 28-29 (aka IT Fest) and the ARRC at Road Atlanta on November 2-4, will determine a champion for each GCR Improved Touring class (ITA, ITB, ITC, ITR, and ITS).

For more information please visit the ITNT website [www.itnationaltour.com](http://www.itnationaltour.com).
